Hi Regan, Just wanted to let you know the Wednesday NCIMM team kick-off meeting is from 3 - 4 pm and is to located in EPA room 130 (the room should be reserved). Topics to be covered include logistics, the workshop (includes setting a time for the software demo by Mike T. on Thursday) , and hopefully a visit to the training room for the workshop. It will also allow all of us the opportunity to meet one another.

I will get back to you later with a roster of attendees (students, instructors, NCIMM associates) and hopefully a completed foreign visitor's spreadsheet. I copied you on the most recent request for the spreadsheet - perhaps the first request occurred while he was traveling. Hopefully it will arrive soon. Please let me know if you have any questions.

Thanks Regan,
Linda
